

Muhammad Hashim Khan

Computer Systems Engineering Student | UET Peshawar

✉ hashimkhansun9@gmail.com | ☎ +92 317 370 9403 | 🔗 linkedin.com/in/hashim-khan-918a26332 | 📍 Peshawar, KPK, Pakistan

PROFESSIONAL SUMMARY

Motivated Computer Systems Engineering student at UET Peshawar with a strong academic record (CGPA 3.85) and hands-on experience in software development and embedded systems. Proficient in C++, Python, OOP, and Data Structures. Passionate about building practical solutions, with proven project experience in IoT and automation. Known among peers as a go-to resource for programming concepts and academic support.

EDUCATION

University of Engineering & Technology (UET), Peshawar

2024 – Present

B.Sc. Computer Systems Engineering • 4th Semester • CGPA: 3.85 / 4.00

Cadet College Swat

2022 – 2024

FSC (Pre-Engineering) • 1086 / 1200 • Distinction

Swat Collegiate School and College

2020 – 2022

Matriculation (Science) • 1012 / 1100 • Distinction

TECHNICAL SKILLS

Languages	C++ • Python
CS Concepts	Data Structures & Algorithms (DSA) • Object-Oriented Programming (OOP)
AI / ML	Machine Learning Fundamentals • Supervised Learning basics
Hardware	Arduino • Embedded Systems • IoT & Automation • Remote-Control Circuits
Tools	MS Office (Word, Excel, PowerPoint) • Git (basic)
Soft Skills	Peer Teaching • Problem Solving • Analytical Thinking • Communication

PROJECTS

Remote-Controlled Vacuum Cleaner

2024

- Designed and built a functional vacuum cleaner controlled via a remote interface.
- Handled mechanical assembly, motor control circuitry, and remote signal integration using Arduino.
- Demonstrated hands-on capability in embedded systems and hardware prototyping.

Automated Classroom Lighting System

2024 – 2025

- Automated the complete lighting system of a classroom, controllable via smartphone.
- Implemented relay modules and wireless communication (Bluetooth/Wi-Fi) for real-time switching.
- Delivered a cost-effective IoT solution adopted for daily classroom use.

ACHIEVEMENTS & ACTIVITIES

- Achieved CGPA of 3.85 in the first four semesters of the Computer Systems Engineering programme.
- Scored 1086/1200 in FSC (Pre-Engineering) from Cadet College Swat — a highly competitive institution.
- Peer Tutor: Regularly assists fellow students in understanding core CS subjects including C++, OOP, and DSA, demonstrating strong conceptual command and communication skills.
- Completed FSC and Matriculation with distinction-level scores from reputed institutions.
